## AL CREATORE DELLE STELLE

### CÓNDITOR ALME SÍDERUM

Cónditor alme síderum,  
ætérna lux credéntium,  
Christe, redémptor ómnium,  
exáudi preces súpplicum.

*Vivificante creatore delle stelle,  
eterna luce dei credenti, Cristo,  
redentore di tutti, esaudisci le  
preghiere di chi ti supplica.*

Qui cóndolens íntéritu  
mortis períre sæculum,  
salvásti mundum lánguidum,  
donans reis remédium,

*Tu compatendo il mondo  
che andava in rovina nella morte,  
salvasti l'umanità ammalata,  
donando una cura ai peccatori,*

Vergénte mundi véspere,  
uti sponsus de thálamo,  
egréssus honestíssima  
Vírginis matrís cláusula.

*Mentre scendeva la sera del mondo,  
come uno sposo dal talamo nuziale,  
sei uscito dall'intemerato ventre  
della Vergine madre.*

Cuius forti poténtiæ  
genu curvántur ómnia;  
cælestia, terréstria  
nutu faténtur súbdita.

*Alla tua forte potenza tutte le  
creature piegano il ginocchio; quelle  
del cielo, quelle della terra con cenno  
si confessano sottomesse.*

Te, Sancte, fide quæsumus,  
ventúre iudex sæculi,  
consérva nos in témpore  
hostis a telo pérfidi.

*Te, o Santo, con fede preghiamo,  
te, che verrai come giudice del  
mondo: conservaci nel tempo  
dalla lancia del perfido nemico.*

Sit, Christe, rex piíssime,  
tibi Patríque glória  
cum Spíritu Paráclito,  
in sempitérna sæcula. Amen

*O Cristo, re piissimo,  
a te e al Padre sia gloria  
con lo Spirito Paraclito  
per i secoli eterni. Amen*
